TREO
SOCH BADLO KISMAT BADLEGI

Mahindra
Rise.

Presenting **NEW MAHINDRA TREO**
Electric 3-Wheeler. Powered by Lithium-Ion Technology.
CHANGE THE RULES FOR A BETTER TOMORROW.

TREO
SOCH BADLO KISMAT BADLEGI

Mahindra introduces Treo, a revolutionary new range of electric three wheelers. Powered by the most advanced Lithium-ion technology, Mahindra Treo will change the world of three wheelers forever. Treo offers increased savings, superior ride quality and best-in-class comfort for drivers and passengers, along with zero emission technology, for a better tomorrow.

Get ready to ride the change with **Mahindra Treo!**

Key highlights:

-  **Increased savings**
Low running cost of 50 paise per km, with a potential of up to 20% increase in savings.*
-  **Global battery technology**
Zero maintenance, lithium-ion battery for more than 5 years of life.
-  **Regenerative braking system**
Kinetic energy generated on braking is fed back into the battery, thereby ensuring minimum wastage of energy.
-  **Better drive experience**
Direct drive technology offers a clutch-less drive with most efficient usage of energy. The ride is noiseless, vibration-free and comfortable, with a 30.6 cm (R12), wheel size to ensure easy maneuverability on potholes.

*In comparison to new LPG 4-stroke auto.
Subject to FAME subsidies and other variable factors.

-  **King size space**
Large cabin space and leg room. Easy entry and egress for all age groups.
-  **Best-in-class safety**
Treo comes with best-in-class torsional rigidity and bending stiffness. It has an IP 65 rated battery box to ensure that the battery is completely safe. In-built rear crash guard protects passengers in case of rare impact.
-  **New generation styling**
Digital dashboard for a quick and precise view of the charge status and range. Optional hard top design, a first in the category for all year weather protection and added safety.
-  **Cutting-edge modular design**
Space-frame architecture along with corrosion free modular SMC panels for dent free body and easy repair or replacement.
-  **Cloud based mobility platform**
Remote monitoring of range, speed, location and more for Next Generation Mobility and efficient utilisation of fleet.

-  **Quick charging**
It is as simple as charging a mobile phone. Just 3 h and 50 min for a 130 km** range for Treo and 2 h 30 min for a 85 km** range for Treo Yaari. A top up during lunch break can add back over 32 km*** to the range.
-  **Excellent visibility for drivers**
Larger windscreen area that ensures safety in bumper to bumper traffic.
-  **Backed by the trust of Mahindra brand**
-  **Zero tail-pipe emission**
Pollution free and noiseless drive, makes Treo environment friendly.

** Typical driving range
***Calculated as per typical driving range
